

Geopark Naturtejo da Meseta Meridional (Portugal)

Inventory of geosites, geoconservation measures and (geo)tourism
management

Application dossier for nomination as a European Geopark

July, 2005

ABSTRACT	2
INDEX	
1 - Naturtejo and Geoturism	5
2. Mosaic of the Geopark Naturtejo da Meseta Meridional	6
3. Identification of the Territory	
<i>3.1. Country where the geopark is situated</i>	8
<i>3.2. Size of the geopark</i>	8
<i>3.3. Geographic region in which the geopark is situated</i>	8
<i>3.4. Management – Identification of the administrative entity in charge of the geopark</i>	8
<i>3.5. Accessibilities</i>	8
4. Scientific Significance	9
<i>4.1. Geoscientific significance of the geopark</i>	9
<i>4.2. Broader significance of the geopark</i>	9
<i>4.3. Enclosures I</i>	
Geographical Cartography of Naturtejo Territory and the Links with Peripheral main Iberian Cities (in the CD)	
Geological Map 1:500000 (in the CD)	
Protected Areas Map 1:200000 (in the CD)	
Slide Show of Geopark Naturtejo da Meseta Meridional (in the CD)	
Film Geopark Naturtejo: an Image Overview of the Geosites (in the CD)	
5. Territorial analysis	9
<i>5.1. Identification of the territory</i>	9
<i>5.1.1. Description of the territory</i>	9
<i>5.1.2. Protection status</i>	10
<i>5.2. Scientific description</i>	11
<i>5.2.1. Geological context</i>	11
Geological Importance of the “Portas do Ródão” Natural Monument	13
The Ichnological Park of Penha Garcia	14
The Tejo Internacional Natural Park	15
The Portas de Vale Mourão river gorge	15
Granite Morphologies in Serra da Gardunha	15
Identification and Importance of the Roadcut E.M. 354, km25, in classification	16
Protection and Valuation of the Fossil Tree of Perais (Vila Velha de Ródão)	16
Naturtejo (Geo)trails network	17
Museological Panorama	19
Promotion of Geological related Activities	20
<i>5.2.2. Potential threats</i>	21
<i>5.2.3. Enclosures II</i>	
Geological Bibliography of the Naturtejo (in the CD)	
Scientific Documentation of the most important Geomonuments (in the CD)	
Studies and Promotional Backgrounds about Naturtejo Geological Heritage (in the CD)	
Books, Journals, Meetings and Press Cuttings that promoted Geology in the Naturtejo Territory	
<i>5.3 Sustainable regional development</i>	21
<i>5.3.1. Collection of data and information</i>	21
Enclosures III	
Naturtejo presentation CD and promotional material	
Marketing Strategies for Naturtejo (in the CD)	
PITER Territorial Action Plan (in the CD)	
Cartography of Tourism facilities	
Naturtejo Natural and Cultural heritage (tourism leaflets)	
Description of the Main Monuments (in the CD)	
Other Naturtejo’s Touristic Products (in the CD)	
Naturtejo Trekking Routes Leaflets	
Nature Tourism 2005 – tourism thematic packets in partnership wit Halcon Viagens and Turismo da Natureza travel agencies	
<i>5.3.2. Territorial diagnosis</i>	21

<i>5.3.3 Territorial action plan</i>	23
6. Epilogue	26
BIBLIOGRAPHY	26
7. Signature Section	27
<i>7.1. Naturtejo – Tourism Company</i>	
<i>7.2. National Commission of UNESCO</i>	
<i>7.3. Geological Survey of Portugal (National Institute for Engineering, Technology and Innovation)</i>	
<i>7.4. ProGEO – Portugal</i>	
<i>7.5. National Museum of Natural History</i>	
<i>7.6. Governmental Entity (State Secretary of Tourism)</i>	
<i>7.7. Commission for Regional Coordination and Development of the Centre</i>	
<i>7.8. Association for the Tourism Development in the Centre Region</i>	
<i>7.9. Tejo Internacional Natural Park</i>	
<i>7.10. Polytechnics Institute of Castelo Branco</i>	
<i>7.11. Portuguese Institute for the Architectonic Patrimony</i>	
<i>7.12. Association for the Development of Telecommunications and Computer Techniques</i>	
<i>7.13. Association for Studies of the Alto Tejo</i>	
<i>7.14. Independent International Scientific Support for the Nomination as European Geopark</i>
