

Key Note Talks

Nickolas Zouros & Patrick McKeever

European Geoparks Network and Geotourism

Ross K. Dowling

The Growth of Global Geotourism

José Brilha

Geological Heritage and Geoconservation in Portugal

Margarete Patzak

UNESCO and the Global Geoparks Network - geological heritage and sustainable development world wide

Geoparks and Tourism

Armindo Jacinto

United by Nature for the people

Jacqui Malpas

Geoparks and Regional Geotourism

Gilson Burigo Guimarães, Andre Herzog Cardoso, Paulo César Boggiani, Gil Piekarz, Kátia Leite Mansur, Carlos Fernando de Moura Delphim, Maria Margareth Escobar Ribas Lima, Antonio Theodorovicz, Úrsula Azevedo Ruchkys, Osterne Feitosa Ferro Neto

The rising of the Geoparks' concept, activities and projects in Brazil

Joana Rodrigues & Carlos Neto de Carvalho

Geotourist Trails in Naturtejo the Geopark

Heinz A. Kollmann, Reinhard Mitterbäck & Katharina Weiskopf

Intellect and emotion: Water and Geotourism in the Eisenwurzten Geopark

Mel Border, Carolyn Custerson & Nick Powe

The English Riviera Geopark – Devon's newest and most exciting new visitor attraction

Keith Hoole

The International Appalachian Trail – Crossing the Atlantic

M. Burlando, M. Firpo, C. Queirolo, M. Vacchi

A new strategy to promote sustainable tourism in Beigua Geopark (Italy)

John Conway

Developing a virtual geopark – how Google software can be used to provide a geopark experience for disabled people with mobility problems

Andrea Baucon

TERRAGAZE mobile, a GPS-powered geological guide: information depending on where you are

Chris Woodley-Stewart & Elizabeth Pickett

Interpretation in the North Pennines – “The Memory Making Business”

Maria Manuela Catana & Daniela Rocha

The role of the Educational Programs on tourism development of Naturtejo and Arouca geoparks

Francisco Idalécio de Freitas, Gabriela Karine Rocha de Carvalho & Maria Helena Hessel

Amazing and rare fossils in Brazilian Northeast hinterland: the differential of the Araripe Geopark

Mojca Kavčič, Martina Stupar, Martina Peljhan, Bojan Režun & Uroš Eržen

Geopark Idrija - thematic trails

Pål Thjømmøe

Magma Geopark: Cultural Highlights

Juliane Nauck

Participation of adolescents in European Geoparks

Giuseppe Maria Amato

Relational Tourism in Rocca di Cerere European Geopark

C. Ferrari

Adamello Brenta Geopark in the Dolomites World Heritage Site

Ferrari C. & Masè V.

Action Plan of the Adamello Brenta Geopark

Geotourism and local development

Chris Woodley-Stewart & Elizabeth Pickett

Towards a Geotourism Destination - thoughts from the North Pennines

Joana Rodrigues & Carlos Neto de Carvalho

Geoproducts in the Naturtejo Geopark

Joseli Maria Piranha, Eliane Aparecida del Lama & Denise de la Corte Bacci

Geotourism and Local Development – potentialities and risks

Neda Torabi Farsani, Celeste Coelho & Carlos Costa

Geotourism as an opportunity for local communities' participation in geoparks

Nickolas C. Zouros

Geotourism development in the Lesvos Petrified Forest Geopark

Rafael Vaz André

Geopark: the right path to territorial competitiveness through Nature Tourism

Ana Marija Tomša, Ljerka Marjanac & Tihomir Marjanac

Involvement of local community in setting up a geopark

Claudia Eckhardt

Geopark on Site - Local Ambassadors for a Global Network - *Residents' Commitment in Geopark development*

M. Burlando, M. Firpo, C. Queirolo, M. Vacchi & M.C. Bonci

Geotourism and interpretation facilities in Beigua Geopark (Italy): the Visitor Centres and Information Points network

João Geraldes & Rita Ferreira

Tourism "Tectonics" and Geo-Bakery

**Ricardo Fraga Pereira, José Brilha, Augusto José Pedreira, Carlos Schobbenhaus
& Ivo Karmann**

Geopark and geotourism in Chapada Diamantina (North-eastern Brazil): strategies and perspectives

Helena Couto & Alexandre Lourenço

Valongo Palaeozoic Park – a Geotourism resource

Jesús Salazar, Francisco Hurtado & Roigar López

Geotourist development of the Edge Upata – Km. 88, Bolívar state, Venezuela

Sara Gentilini

Geotourism and local development: The importance of becoming a partner

Michał Poros

Abandoned quarries as a geotourist objects in municipal areas – example from the Kielce town (Holy Cross Mountains, Poland)

Sebastian Willman, Heikki Bauert & Anto Raukas

Fostering geotourism on Central Baltic islands

C. Ferrari & V. Masè

Audio-video geoguide in the Adamello Brenta Geopark

C. Ferrari & V. Masè

Via GeoAlpina in the Adamello Brenta Geopark

Geoparks and Science

Murray Gray

Geodiversity as a basis for geoconservation, geotourism and geoparks

Tony Ramsay

Communicating the Story of Climate and Man

Marie-Luise Frey

Popularisation of earth sciences: A new applied discipline in earth sciences

Elizabeth Silva & Maria Helena Henriques

Implementation of the International Year of Planet Earth (2007-2009) in Portugal, in the framework of the United Nations Decade of Education for Sustainable Development

Andrea Baucon & Carlos Neto de Carvalho

Psychedelic experiences with Geology: Geological Video Art at Boom Festival

Artur A. Sá, Juan C. Gutiérrez-Marco, Daniela Rocha, Manuel Valério, José Brilha & I. Rábano

Ordovician ichnofossils: a new scientific and educational resource for the Arouca Geopark

George Iliopoulos, Kaliana Svana & Charalampos Fassoulas

Sirenian findings from the Psiloritis Geopark, Crete, Greece

Daniel Metodiev, José Romão, Rui Dias

Vila Velha de Ródão Variscan complex syncline: stratigraphy and structure (Central Iberian Zone, Portugal)

David Appleton, Mel Border & Alan Hart

English Riviera European and Global Geopark - Hopes Nose Project

N. Zouros, S. Pavlides, N. Soulakellis, A. Chatzipetros, K. Vasileiadou, I. Valiakos & K. Bentana

Using active faults for raising public awareness and sensitisation on seismic hazard: a case study from Lesvos Geopark, NE Aegean Sea, Greece

Giuseppe M. Amato, M. Grasso, M. Viviana Ingrassiotta, Rita Ubriaco

The Geosite Maps: an instrument of knowledge and planning, a feasible common instrument for the Geopark

Timo Kluttig & Melanie Schnieders

A media-box bringing Geopark-knowledge into schools

Daniela Rocha, Marta Brandão & Artur Abreu Sá

Geoteca: learning Science through the Arouca Geopark

Rosa Mendoza Castellón, Pablo Rivas, Milagros Pérez Villalba

Research in Cabo de Gata-Níjar Geopark

João Carlos Nunes & Eva Almeida Lima

The "Ponta da Ferraria" Lava Delta Geosite: Scientific, Educational, Environmental, Historical and Economic (Geotourist) Value

Martina Peljhan, Uroš Eržen, Bojan Režun, Jože Čar, Mojca Kavčič

Geopark Idrija – »The trail of natural scientist of Idrija«

Plácido Cidade Nuvens, Francisco Idalécio de Freitas, Maria Helena Hessel & Rafael Celestino Soares

Araripe Geopark: materialize a dream of the paleontologists from Ceará, Brazil

Baldomero Moreno Arroyo, Alicia Serna Barquero & Luis Rey

Science in the Subbética Geopark

Dražen Balen, Goran Radonić, Goran Pavić

Tresnjevica geosites – volcano traces from the past

João Carlos Nunes, José Madeira & José Brilha

The Azores archipelago in the America-Eurasia-Africa triple junction: a geological framework as the scientific background for the creation of the Azores Geopark

Bojan Režun, Uroš Eržen, Martina Peljhan, Jože Čar, Mojca Kavčič

Geopark Idrija – geological heritage of outstanding value

Miguel Geraldés, Marco Jorge & Maria Luísa Rodrigues

Geomorphosites: inventory and valorisation for geotourist purposes. A case study in the Serra de Candeeiros (Estremadura Limestone Massif, Portugal)

Tomáš Řídkošil, Vladislav Rapprich, Marcela Stárková

Science as a tool for Geosites attractivity increase: Volcanology in the Bohemian Paradise Geopark (Czech Republic)

Geoconservation best practices and wrong ways

Alexandru Andrasanu

Geoeducation, Geoparks and Geoconservation

Carlos Neto de Carvalho & Joana Rodrigues

Three successful cases of Geoconservation in the Naturtejo Geopark

Carlos Neto de Carvalho

Opening of a Uranium-ore quarry: a serious threat to the Naturtejo Geopark

Dimitra Mouriki & Charalampos Fassoulas

Quantitative assessment of Psiloritis' geotopes with emphasis on protection and geotourism (Crete, Greece)

Lopes, M.E.; Meixedo, J.P.; Pereira, S. F.; Afonso, M.J.; Gomes, A; Gama Pereira, L. C; Trigo, J.F.C. & Chaminé, H.I.

Geoconservation in North Portugal: different successfully examples of geo-heritage recovery processes

Eliane Aparecida del Lama, Joseli Maria Piranha & Denise de la Corte Bacci

Geoparks – strategy of geoconservation and development

Liliana Póvoas & César Lopes

Geological Heritage and Museology: challenges and concerns

Simon Bajada

Promoting the geodiversity of the Maltese Archipelago – issues and challenges

Francisco Hurtado, Roigar López & Jesús Salazar

Latin-American and Caribbean Network for the Defence and Conservation of the Geological, Mining-Metallurgical and Paleontological Heritage

Joseli Maria Piranha, Denise de la Corte Bacci & Eliane Aparecida del Lama

Education in Earth Sciences and Geoparks – a relationship of mutual importance

Denise de la Corte Bacci

Geosciences and Environmental Education: training professionals to develop education projects

Gonca Gürler, Ayhan Ilgar, Mutlu Gürler, N. Serkan Öztan, Bilge Karaman, M. Fuat Uğuz, Ramazan Sarı

Turkey Geological Heritage inventory; an example site Biga Peninsula

Marketing strategies for a strong EGN brand

Patrick Mc Keever

European Geoparks Network revalidation procedures and the building of a strong brand for Geoparks

Rui Tomás Marques

Developing Sustainable Tourism Products at Geopark Naturtejo: The Importance of Community Involvement

Marie-Luise Frey

Field trip offers 2004-2008 into the World Heritage Site Messel Pit: A challenge on fulfilling social, economic and scientific demands of visitors, a case study

Wolfgang Eder

Geoparks of the World: Marketing through a New Book Series of Springer

Man and Nature: cultural landscapes

Jutta Weber

Communicating man and nature in the European Geopark Bergstrasse-Odenwald (Germany)

Alexandru Andrasanu & Sylvie Giraud

European Geopark Cooperation project : Dialogues between Man and Earth

K. Lemon, A.-M. Ward & R. Watson

Landscapes and Livelihoods: the cultural landscapes of Marble Arch Caves Global Geopark

Eddy Chambino

"The shepherd's sky" Notes on the definition of a shepherd cosmovision

Elizabeth Pickett & Chris Woodley-Stewart

The North Pennines – 500 million years in pictures, poems and performance

Jonathan Swale

Shetland's Cultural Landscape

Candace Slater

Geoparks and Geo-Stories: Ideas of Nature Underlying the UNESCO Araripe Basin Project and Contemporary “Folk” Narratives

Rosa Mendoza, Maria Navarro & Pablo Rivas

Wind and water in the construction of a cultural landscape

Giuseppe Maria Amato & Beatrice Basile

Lombardia Castle, new “house” of Rocca di Cerere European Geopark

Alessandro Torre, Fabio Torre & Gian Vito Graziano

Bronzes and ceramics for valorization of Geoparks geological tracks

New Geoparks and their tutors

Eva Almeida Lima, João Carlos Nunes, Manuel Paulino Costa, Andrea Porteiro

Azores Geopark: Valuing its Geosites

Virginio Mantesso-Neto, Úrsula Ruchkys de Azevedo, Marcos Antonio Leite do Nascimento, Antonio Liccardo & Rose Lane Guimarães

Quadrilátero Ferrífero, Brazil: general information about a potential Geopark

Vesa Krökki

Rokua – Heritage of the Ice Age

Jari Nenonen

Rokua esker – a geological puzzle

Janos Tardy & Imre Szarvas

Operation of the transboundary Novohrad-Nograd Geopark initiative

Heikki Bauert & Anto Raukas

Island of Saaremaa (Estonia) – a prospective geopark

Roigar López, Francisco Hurtado, Jesús Salazar & Vladimir Sosa

Geopark initiatives in Venezuela

Gülpınar Akbulut

Suggested Geoparks in Turkey: Volcanic Mountains

Carlos Cadete

Protected Areas in Angola and Geoparks

Jon Paul Llordés & Juan Ignacio Baceta

Basque Coast Geopark: An Aspiring Geopark

Mário Cachão

The fractal dimension of geoparks: upsizing and downsizing its scope
